TERROIR AND WINEMAKING

Elegant dry white wine, made only from selected muscat lunel grapes from the volcanic soils of muscat vineyards in the Herceg (Prince, in Hungarian) hills, created by János Arvay, Hungarian Winemaker of the Year 2003.

TASTING NOTES

An outstanding muscat lunel, made of carefully selected handpicked grapes from our Tokaj muscat vineyard.

With discreet perfumed white pepper, rose, pear and apricot scents, it displays a pleasant mineral character in mouth combined with peach notes.

Suggested for white fish dishes or as appetitif, ideally at 10-11°C.
